ANZAC Spirit

*On this day, above all days,
we remember all those who served our nation in times of war.*

*We remember with pride their courage,
their compassion and their comradeship.*

*We remember what they accomplished for Australia,
and indeed for the freedom of mankind.*

The RSL – Returned & Service League

The RSL evolved as a direct result of the camaraderie, concern and mateship shown by the “Diggers” for the welfare of their mates during and after the 1914 – 1918 War. That ethos of compassion and service remains today the motivating influence of the league. In South Australia, on 8th December 1915, the Returned Soldiers Association was formed during a meeting in the Cheerup Hut.

To continue the mission of the RSL, the Semaphore & Port Adelaide RSL Sub-Branch has established Four Sponsorship packages (*see sponsorship package benefits*). Your Sponsorship would be a great way to contribute to the role of the RSL in support of Veterans, Service Personnel and the local community.

The Semaphore and Port Adelaide RSL Sub-Branch:

Our People and Our History

The Semaphore and Port Adelaide RSL has always had a proud history of being one of the leading South Australian RSL Sub-Branch's. Even before the Sub-Branch was officially established in 1923 as the Semaphore and Port Adelaide R.S.S.I.L.A. (Returned Soldiers & Sailors Imperial League of Australia), the people of Semaphore and Port Adelaide had always been there for the Australian men and women who served their country.

We were the last to farewell our troops off as they boarded the ships for Gallipoli and we were the first to welcome them home and to assist the wounded down the gang-ways. We cheerfully provided for the comfort, welfare and entertainment of soldiers and sailors whilst in Adelaide.

We've proudly answered every "Call" from taking up arms in the cause of the Empire, to giving freely on Wattle Day, Poppy Day, The Sailors & Soldiers' Distress Fund, ANZAC Appeal and many, many more.

We've helped build an Orthopedic Wing for the Keswick Military Hospital, assisted in the purchase of the Le Fevre Community Hospital for the people of Semaphore & Port Adelaide and donated to research through Tubercular Soldiers' Aid Fund and the Lord Mayors Cancer Fund just to mention a few.

How your Sponsorship Will Make a Difference
